PowerLung Performer Series Box Set

Code: POW009 BOXSET

The PowerLung Performer Series Box Set is the ultimate respiratory training system for musicians and performers seeking improved breathing form.

Product Information

Containing both the PowerLung Performer Series T343A and M422T models, the PowerLung Performer Series Box Set includes everything the performing artist needs to develop outstanding breathing technique, perform breathing exercises and achieve greater relaxation.

The PowerLung Performer Series Box Set can be used before, during and after rehearsals and performances to strengthen and condition the muscles used when breathing. The box set also includes a free Breathing for Performance book and DVD packed with effective exercises designed to help users take their performances to the next level.

The PowerLung Performer Series T343A and M422T models have comfortable hand grips, are drug free and offer a simple, easy- to- use way to develop good breathing form. A detailed user guide, instructional manual and supporting DVD are included for effective use.
