PowerLung Performer T343A

Code: POW008 T343A

The PowerLung Performer Series T343A is a hand- held, respiratory training system for accomplished musicians and performers who appreciate the relationship between good breathing form and outstanding performance.

Product Information

Designed to improve the overall strength and conditioning of the breathing muscles and enhance existing breathing technique, the PowerLung Performer Series T343A can be used before or between rehearsals and performances to help keep users relaxed and performing at their best for longer.

The PowerLung Performer Series T343A has a comfortable hand grip, is drug free and offers a simple, easy- to- use way to develop good breathing form. A detailed user guide, instructional manual and supporting DVD are included for effective use.
